Instructions: You are completing this appeal due to loss of financial aid eligibility or you are requesting financial aid towards a second degree. Failure to provide appropriate documentation will result in an automatic denial of the appeal. Please indicate which SAP standard you are appealing (G.P.A., Maximum Timeframe, or a Second Degree) and submit the required information. Please allow up to two weeks for review. If you start school before receiving a decision on your appeal, you are responsible for all charges incurred for the given term. You will receive written notification of the appeal decision.

Cumulative Grade Point Average (G.P.A.)

Required Information:

- A completed SAP Appeal Form.
- A written or typed personal statement (signed and dated) outlining extenuating circumstances.
- Documentation to support the extenuating circumstances indicated in your statement.
- Completion of the Academic Plan developed by the student and the academic advisor (See page 2).
- Submit a copy of your student loan history. You may access your records at studentaid.gov

Maximum Timeframe OR Second Degree:

Required Information:

- A completed SAP Appeal Form.
- A written or typed personal statement from the student (signed and dated) outlining the extenuating circumstances that have prevented you from earning your first degree within the allowed timeframe; or, how the second degree will complement the first degree and how it will help advance or support your career goals.
- Your academic advisor must provide a written statement outlining the required courses and number of credits needed to complete your first degree; or, confirmation of credits required to earn the second degree.
- Submit a copy of your student loan history. You may access your records at studentaid.gov
