PHOTOGRAPHY

Great pictures don't need filters!
If you are provided with images,
please do not alter the color.

Please be advised that the
Office of Marketing, Public and
Community Relations does not have
the ability to attend every sporting
event.

DON'T STRETCH IT!

When adjusting the size of an image,
never distort the original ratio. What we
mean by this is don't drag an image to
fit without:
1) using the corner drag tools and
2) holding down the shift key.

UNIFORMS

Don't forget that all uniform
and team apparel purchases
must have a proof reviewed
and approved by the
Athletic Director.
